

Bellwether League Inc. Honoree Nomination

Bellwether League Inc. honors past and current healthcare supply chain industry professionals with a minimum of 25 years of exemplary service and leadership performance in supply chain management. These professionals must meet the following criteria to be publicly recognized and recorded in print and online media for their contributions in improving all segments of the healthcare supply chain: Accomplishments, ethics, innovation, integrity, leadership, longevity, mentoring, reputation, speaking, teaching, volunteering and writing.

Bellwether League Inc. profiles influencers, innovators, leaders and pioneers in healthcare supply chain management, highlighting their achievements, philosophy and vision as selected by Bellwether League Inc.'s Board of Directors. To nominate someone for honoree consideration, please complete and e-mail this form with your nominee(s) career details to Rick Dana Barlow at rickdanabarlow@bellwetherleague.org. Thank you in advance for your support.

***Advancing the Profession/Industry Influence** – Bellwethers challenge the norms, push the envelope and raise the bar. Examples include serving as a mentor either within his or her individual organization or on a national, regional or local level outside of his or her individual organization; producing and presenting internal training sessions for the C-suite and/or clinicians and physicians on supply chain management; pioneering new concepts and ideas that may become reality; influencing those up and down the corporate hierarchy on the benefits of and promotion of optimal supply chain management principles and techniques.*
