The Board of Directors and Advisory Council are working on these key projects:

1. We have chosen the four members of the Future Famers Class of 2022, which will be revealed next month. We continue to assess the nominations received for the Ammer Honoree and Bellwether Class of 2022, which will be announced this summer.
2. For a helpful, quick and thorough explanation of our process, click on the “Nominations” tab, then the video link at the top.
3. We will be sending out 2022 “thank you” letters and invoices to all Sustaining Sponsors within the next few weeks. We appreciate our ongoing supporters who value the mission and vision of working together for such a valuable cause.
4. We are planning the 2022 Healthcare Supply Chain Leadership Forum and the 15th Annual Bellwether League Foundation Induction & Recognition Event (BLFIRE15), both scheduled as in-person events at Marquette University, Milwaukee, on October 3. Registration and sponsorship opportunities are available and open online. Access them on the front page of BellwetherLeague.org. Mark your calendars now.
5. Be sure to view all audio and video files of past recorded Forums and Annual Induction events on BellwetherLeague.org by clicking on the “Videos” tab.
6. Would you like to be an editorial source for the 5th anniversary edition of Leaders & Luminaries magazine? We are focusing on “Supply Chain’s Future State.” Please contact Executive Editor Rick Dana Barlow at rickdanabarlow@bellwetherleague.org for details and the survey.
